

CUSTOM RAILS & LADDERS

Whether it's a minor variation to one of our standard rail configurations, or something from your own imagination, look to S.R.Smith to help make your vision a reality. S.R.Smith keeps your project on track with the fastest turnaround time in the industry. From standard to custom, in a wide range of finishes, our rails can add both form and function to any pool.

- Polished 38mm & 50mm OD Tubing
- 316L Marine Grade Stainless Steel
- Any size or shape
- 1.6mm wall thickness

+ Refer to website for details on custom rail ordering process

CUSTOM COATINGS & CLEANERS

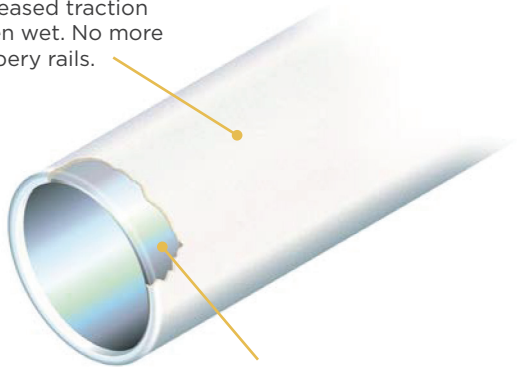

Finish with Durability and Style

A variety of finish options are available which provide a higher level of protection to our marine grade stainless steel rails and ladders. Coatings are available in a variety of colours, as well as a clear finish option.

- SRS ClearShield™ Coating
- Powder Coating
- SealedSteel®

SealedSteel®

WetTraction®
Increased traction
when wet. No more
slippery rails.

SRS ClearShield™ Coating — a thin film ceramic coated clear finish with superior impact, scratch and corrosion resistance.

ClearShield™

Powder Coating — durable finish that is easy to maintain, corrosion and scratch resistant.
