effortless illumination
LED lights

Reliable LED technology, flexible performance and energy efficient designs.

**Mod-Lite™**
Safe, submersible wireless power for pools and spas
- Low-profile wireless design
- 7 Watt, 12VAC
- RGB LED Light
- 80’ or 150’ cord length options

**TREO™**
Serviceable return fitting light for pools, spas and water features
- Field-replaceable lamp
- 5 Watt, 12VAC
- RGB or White Only LED Light
- 30’, 50’, 80’ or 150’ cord length options
- Fiberglass pool model available (FG Series)

**kêlo™**
Low-profile return fitting light for pools, spas and water features
- Low-profile design
- 7 Watt, 12VAC
- Color RGB LED Light
- 80’ or 150’ cord length options

**micro**
Accent light for water features, steps, and shelves
- Compact design
- 2 Watt, 12VAC
- RGB or White Only LED Light
- 30’, 50’, 80’ or 150’ cord length options

Transformers / Lighting Controls

Lighting control power units designed for safety, durability and hassle-free performance.

**Premier**
Custom Lighting Control Power Unit
- Integrated control switches
- Wireless remote
- 49 custom color options
- 4 Dimming Levels (via Wireless Remote)
- 70W (7W per channel)
- Works exclusively with S.R.Smith Lights

**Plus2**
Wireless Lighting Transformer
- Integrated control switch
- Wireless remote
- 60W or 100W options (Plus)
- 1 or 2-zone control (Plus2)
- 120W total– 60W per zone (Plus2)

**Plus**
Lighting Transformer
- Integrated control switch
- 60W or 100W options
Fiber Optic Lighting

Star Feature Kits
Transform the night with LED-illuminated Fiber Optic Lighting.

S.R. Smith offers two pre-configured Star Feature Kits in 25 or 50-points of light bundles that add amazing depth and richness to your pool designs.

Fiber to LED

PT-6001 & PT-6002

Re-light your pools – Convert fading fiber to vibrant LED with these newly updated models.

S.R. Smith offers a range of 1, 2, or 3 Mod-Lite, TREO, or kēlo Light Kits for cost-effective, quick change-outs.

Mod-Lite™ is an LED light that blends modular design with wireless power to deliver unmatched flexibility, convenience, safety and savings. PowerPass™ technology allows power to flow directly to the wireless LED lamp module, without a physical connection to power; making installation faster, safer and more efficient; plus replacement and winterization is a snap.

- 12VAC 7 Watt LED light for gunite, vinyl liner, and fiberglass pools and spas
- Low profile wireless lamp
- Designed for use with standard 1.5” wall fittings and conduit down to 0.75”
- Available in lengths of 80’ or 150’ as single units or in bulk packs
- No earth bonding required
- Color functions:
  - Advanced color functionality with poolLUX Premier: (49) color variations and 4 levels of dimming via wireless remote
  - 12V controls: (6) colors (white, blue, green, red, amber, magenta), and (2) light shows (fast/slow)
- (5) colored trim plates in (2) different shapes (square and round) for a total of (10) options for maximum customization
- Three year warranty
- ETL Listed — Conforms to UL676
- Certified to CSA C22.2 #89
- Compatible with all S.R.Smith lighting control power units

TREO® LED Light

The TREO is a 12VAC, 5 Watt LED underwater light for gunite, vinyl liner, and fiberglass pools with a replaceable LED lamp.

- Serviceable design — Replaceable LED lamp
- Designed for use with 1.5” diameter threaded wall fittings
- Available in lengths of 30’, 50’, 80’, 150’
- No earth bonding required
- White or color changing LED models available
- Color functionality:
  - Advanced operation with poolLUX Premier — Up to (49) color variations and dimming control (via wireless remote)
  - 12VAC operation — (6) colors (white, blue, green, red, amber, magenta) and (2) light shows
- Color memory function
- Five colored trim rings included to match the surface of your pool or spa
- Three year warranty
- ETL Listed — Conforms to UL676
- Certified to CSA C22.2 #89
- Compatible with all S.R.Smith lighting control power units

kēlo™ LED Light

The kēlo is a 12VAC, 7 Watt LED underwater light for gunite, vinyl liner, and fiberglass pools.

• Low profile design
• Designed for use with 1.5” diameter threaded wall fittings
• Available in lengths of 80’, 150’
• No earth bonding required
• Color functionality:
  - Advanced operation with poolLUX Premier — Up to (49) color variations and dimming control (via wireless remote)
  - 12VAC operation — (6) colors (white, blue, green, red, amber, magenta) and (2) light shows
• Color LED with memory function
• Five colored trim rings included to match the surface of your pool or spa
• Three year warranty
• ETL Listed — Conforms to UL676
• Certified to CSA C22.2 #89
• Compatible with all S.R.Smith lighting control power units

Power Tower PT-6001 & PT-6002

Fiber to LED Conversion Kits

The new & improved PT-6001 & PT-6002 Fiber to LED conversion kits are an energy efficient, direct replacement for Fiberstars 6004/2004 fiber optic illuminators.

- Available as single 60 Watt, 1-circuit unit (PT-6001) or dual 60 Watt, 2-circuit unit (PT-6002) with sync or independent circuit control
- Both models include 12VAC and 13VAC output options and an auto-resetting thermal fuse for overloading and replaceable current fusing for enhanced water safety
- New screwless terminals for reliable, quick and easy connections in half the time (compared to original PT-6000) — no wire nuts required
- Wireless remote control with one-touch color sync for S.R. Smith LED lighting products
- Corrosion-resistant polycarbonate enclosure rated NEMA 3R
- ETL Listed — Conforms to UL 379
- Certified to CSA C22.2#218.1
- Two year warranty

LED Star Feature Kits

The newly reconfigured LED Star Feature kits now include either a single or dual 12VAC, 5 watt LED light source with a 25- or 50-point fiber optic transmission system for gunite pools or other concrete based features such as patios, walk ways, bar tops, stone/paver walls, etc. These upgraded kits now come in a corrosion resistant, wall- or post-mounted, NEMA 3R enclosure and offer up to 50’ fiber runs.

- 25 or 50 Star Points
- Advanced color functionality when powered by a poolLUX Premier control unit:
  - Up to (49) color variations and dimming control (via wireless remote)
  - 12VAC operation — (6) colors (white, blue, green, red, amber, magenta) and (2) light shows
- ETL Listed — Conforms to UL 2108
- Certified to CSA C22.2 #250
- Compatible with all S.R.Smith lighting transformers and control power units
- Memory function
- 100’ of 12VAC cable
- Includes 50’ fiber
- Three year warranty

S.R. Smith’s dedicated Lighting Specialists will work with you to make your pools stand out from the rest through planning, application support and product selection.

**STAR FEATURE KITS**

are designed to bring awe-inspiring ambiance to any pool setting.

Stars can be placed inside or outside the pool to enhance the overall look and feel whether it’s a patio (as shown below bottom left) or any other place you choose to add a custom lighting effect that blends the desired aesthetic of fiber optic with energy-efficient LED illumination.

**MORE FEATURES, MORE DURABILITY, MORE SPACE, MORE VALUE.**

Our **poolLUX Plus2** and **Power Tower PT-6002** provide dual-zone capabilities, designed for applications where 2 zones of lighting are desired.
your pool and patio
Specialists will work with you to make your pools stand out planning, application support and product selection.

FIBER TO LED TRANSFORMATION

Between the 1980’s and early 2000’s fiber optic lighting was commonly used in swimming pools. Over time, fiber can degrade, leaving pools looking dark, dull, and dated. S.R.Smith Power Tower (PT-6001 & PT-6002) Fiber to LED Conversion Kits give builders and service companies a solution to upgrade fading fiber to LED lighting using the existing fiber conduit.
MARKETING TOOLS
Find links to new products, order brochures, and update your business information on the dealer locator and much more. Opt-in to receive S.R.Smith communications, including Tech Tips and Pro Tips.

INSTALLATION RESOURCES
Configuration tools take the guess work out of selecting the right product for the pool. Whether installing a diving board, custom rail, pool lift or starting block, these tools make it simple to order the right product.

BUILDER SUPPORT PROGRAMS
S.R.Smith offers a range of programs to help you grow your business.
- Learn how to help manage risk with the Peace of Mind Program
- Inspire Miles Program offers Builder Rewards on select S.R.Smith products
- Showcase S.R.Smith deck equipment on your display pool or showroom with the Display Program
- Give lighting products a test drive with the Lighting Test Drive Program
- The Whole New Light Program supports Fiber to LED lighting upgrades

EDUCATION
S.R.Smith also offers training courses in which you can earn hours to become a Certified Diving Board Installer or Swimming Pool Accessibility Specialist.
