

MOD-LITE™

PowerPass Wireless™

Mod-Lite™ is an LED light that blends modular design with wireless power to deliver unmatched flexibility, convenience, safety and savings. PowerPass™ technology allows power to flow directly to the wireless LED lamp module, without a physical connection to power, making installation faster, safer and more efficient and replacement quick and simple.

- 12VAC 7 Watt LED light for concrete, vinyl liner, and fiberglass pools and spas
- Low profile wireless lamp
- Designed for use with standard 40mm wall fittings and conduit down to 20mm.
- 24m cable length
- Colour functions:
 - 12V controls: (6) colours (white, blue, green, red, amber, magenta), and (2) light shows (fast/slow)
- (5) coloured trim plates in (2) different shapes (square and round) for a total of (10) options for maximum customization
- 3-year warranty
- ERAC Registration No. E3011
